## *Late Sh. Om Prakash Garg Ji*

Late Sh. O.P.Garg was a luminary of Ladwa and its surrounding area. He contributed immensely towards the amelioration of social life of Ladwa region by providing for several avenues of the upliftment of the poor, ignorant and extremely backward people of villages around Ladwa town right from his early days. He was the elected member to the legislative Assembly of Punjab in 1966 for the first time. Thereafter, he was returned to the Legislative Assembly of Haryana in 1967, 1968 and 1972. He was also appointed the chairman of Haryana Agro Industries under the Chief Ministership of Sh.Bansi Lal. He rose to great eminence as a political and social voice of the people in the political scenario of Haryana for a pretty long time. Before 1975, Ladwa was a very obscure and nondescript town in Karnal district, having no facility for higher education for the youth of this region who were compelled to go to Yamunanagar, Kurukshetra, Karnal, Ambala and even upto D.A.V. College Jalandhar. In these circumstances, it was a formidable task for a poor matriculate youth to make it to a college for B.A./B.Sc. degree. In these circumstances, late Sh. Om Prakash Garg conceived the idea of establishing a Degree college, and by enlisting the active and generous support of the people of Ladwa and adjoining villages, the dream of setting up a college was translated into reality in 1975, which was a very outstanding and rare achievement for this backward rural area. Garg Sahib succeeded in starting IGN College, Ladwa in a most backward rural area. The foundation stone of IGN College, Ladwa was laid by Sh. Bansi Lal Ji on 24-01-1975. The college owes its existence and growth to this great person of Ladwa region. Due to the sincere efforts of this great social reformer, now all the 10+2 pass outs of this area can have an easy access to higher education in Humanities, Commerce, Medical & Non-Medical stream by studying in IGN College Ladwa nourished by Sh.O.P.Garg Ji. The college draws moral strength from the high and lofty ideals cherished espoused and practised by this great soul.

### **Moral Education**

In today's crass materialistic age, sterling and shining eternal values and virtues which are indispensable to make human life meaningful, successful and worth living have deteriorated so steeply that our rich Indian cultural heritage which could shape up our life with meaningful orientation has almost been put into oblivion by us. Our character is declining rapidly, as a consequence of which our clear vision, our knowledge and understanding of the mystery of life and our habit of meditation and contemplation are getting impaired and clouded, leaving us flummoxed and baffled. To bring about improvement in the given dismal situation, we arrange lectures from time to time to cultivate noble values among the students and to strengthen their character so that it may help them grow into civilized, refined, patriotic and ideal human beings.

### **Need for the Environment conservation and curbing Drug Menace**

Today our environment has become so horribly polluted that our healthy living on this planet is under constant threat and our progeny will curse us for polluting and degrading the environment to such an extent that life of any sort on this earth will simply wither away if necessary correctives are not applied to check the fast degradation and degeneration of environment. Growing drug-addiction among the youth is also assuming an alarming shape, and emerging as a serious menace to the healthy growth of the youth. So, we try to generate awareness among the Youth by organising lectures on the imperative need for Environment protection and on the dangers of drug-addiction.

### **Tutorial Groups**

Tutorial groups are organised to promote interaction between the teachers and the taught, leading to the strengthening of amiable relations between them. Under this programme, small groups of students are put under the charge of different teachers for this purpose.

## **NSS**

The motto of the National Service Scheme (N.S.S.) is "Not Me, But You", This expresses the essence of democratic living, and upholds the need for selfless services and appreciation of another man's point of view and also shows sensitivity towards the concerns of fellow human beings. It underlines that the welfare of an individual ultimately depends on the welfare of the society as a whole. Therefore, it is the primary aim of the N.S.S. to demonstrate and act upon this motto in its day-to-day activities in its true spirit. This Programme has ushered in channelising the energy of the youth in positive directions.

The main aim of "National Service Scheme" is personality development through social service and community service. This programme intends to inculcate the spirit of social welfare in the personality of students, It is aimed to provide service to the society without any prejudices. NSS volunteers work hard day and night to ensure that every one in our society who is needy is provided every possible help to meet his needs so that they may also be able to lead a life of comfort and dignity in the society. In doing so the volunteers themselves learn a lot from the people in villages how to struggle and cope with in the adverse conditions of life marked by extreme scarcity of resources.

## **Women Development Cell & Legal Literacy Cell**

To facilitate and ensure the all-round development of the students, Women Development Cell and Legal Literacy Cell in our college are working efficiently under the supervision of Mrs. Harneet Kaur, Asstt. Prof. of English. The centuries-old gender discrimination has always thwarted and hampered the full development of the fair sex. The aim of Women Development Cell is to make the girls conscious of their legal and social rights and awaken them to take up cudgels against the atrocities they are often subjected to and thereby empower them. This cell also endeavours to sensitize the male counterpart against male chauvinism and to learn to respect females as equally dignified human beings by according due respect to their genuine sentiments and human concerns. It helps to develop a sound state of mind which is of utmost significance to accomplish the balanced and healthy growth of the society. Legal Literacy Cell aims at creating awareness among the students about various legal aspects impinging upon their day-to-day life very seriously. We feel the need to make them conversant with those legal enactments which have strengthened their position in the society as respectable citizens of the democratic society. With the knowledge of such legislations as R.T.I., R.T.E., Consumer Protection Act, they can save themselves from being exploited by the unscrupulous elements. Women Development Cell and Legal Literacy Cell conduct various activities such as Extension Lectures and different competitions like debate, poetic Recitation, Declamation contest, Painting, Slogan Writing etc. to translate the aforementioned objectives into realities. Students are also encouraged to participate in the various competitions concerning these issues organized by different colleges to make them enlightened and responsible human beings.

## Anti-Ragging Measures

Ragging is a very inhuman and barbaric practice which is widely rampant in educational institutions and playing havoc with the lives of the youngsters.

It is very heartening and gratifying that no incident of ragging of the juniors by the seniors has ever occurred in the long history of 40 years of the college. An Anti-ragging squad comprising the senior members of all the faculties led by its convener was constituted to cope up with this evil. The members always keep a close watch on the activities of all the students. Simultaneously, an Anti-ragging committee has also been constituted consisting of Senior Faculty members, S.H.O. Police station, Ladwa, Naib- Tehsildar, Ladwa, Office bearers of local social clubs and organizations, senior students and Non-teaching staff to make a consistent, joint effort to ensure that ragging menace does not raise its ugly head in our college.

College authorities are very vigilant and circumspect in this regard and all possible steps have been taken to nip this evil in the bud. On the other hand administration has taken steps to promote healthy, happy and harmonious relations among the juniors and seniors. At present Dr. Yash Pal Singh is working as the convener of Anti-Ragging Committee.
