

Internal Quality Assurance Cell (IQAC)

Indira Gandhi National College, affiliated to Kurukshetra University, Kurukshetra, established its Internal Quality Assurance Cell (IQAC) in 2004. The IQAC ensures and enhances the quality of education, research, and overall institutional performance. It strives to develop a system for conscious, consistent, and catalytic action to improve academic and administrative performance.

Composition and Functioning:

The IQAC operates under the chairmanship of the Principal, comprising faculty, administration, alumni, and external experts. Regular meetings are held to discuss and implement strategies for:

- Improving academic and administrative performance
- Enhancing overall student development
- Maintaining high standards of education
- Fostering continuous improvement

The IQAC plays a vital role in ensuring Indira Gandhi National College's commitment to excellence and continuous improvement.

Prof. Sandeep Bansal
